

## **WREN November/December Gallery Show - November 12, 2021-January 2, 2022**

The Nov/Dec '21 show is a member show. November will feature wall art and tablescapes arranged with products from our non-wall art vendors. Wall art displays will continue through December. In December the tablescapes will be replaced with the opportunity to participate in two Saturday holiday market pop-ups in the gallery (12/4 & 12/11).

### **TABLESCAPES**

The table(s) will be set with products from our vendors as if for a holiday feast. For the tables we will need plates, bowls, dishes, cups, platters, serving boards, candlesticks, votives, etc. The tables will be ornamented with candles, jewelry, linens, soaps and other little gifts as place settings and decoration. The tables offer an opportunity for our members who do not produce wall art to feature their work in a gallery setting. Vendors are encouraged to offer products specifically for this event, either in the theme of holiday gatherings or simply something spectacular. Any product offered will need to have back-up inventory as we will be selling directly from the tables. The tablescapes will be on view from November 12-December 3. **Any special interest in participating in the tablescapes must be communicated to Scarlett Moberly ([scarlettm@wrenworks.org](mailto:scarlettm@wrenworks.org)) by October 25, 2021.** The tablescapes will be arranged by WREN staff. WREN will integrate as many vendors as possible, and rotate selections when necessary and/or possible. Vendors who have communicated interest by October 25, 2021 will be guaranteed inclusion in the tablescapes. Vendors who do not communicate any interest or fail to do so by October 25, 2021 will be included in the tablescapes at WREN's discretion. **Special products for the tablescapes must be delivered to WREN by November 8, 2021.**

### **WALL ART**

The walls of the gallery will be split up into 12 areas of roughly 4- to 5-foot sections and one 9-foot communal section. Each of the 12 sections will be assigned to one vendor. Each vendor will be able to hang a range of their artwork in their section. Vendors are encouraged to make the most of their sections and hang several pieces salon-style. The vendor may choose which space suits their work best, but **spaces will be available strictly on a first-come, first-serve basis.** Dimensions of sections, a schematic of the gallery and location of available spaces, and sign-ups will be available soon.

Any vendors wishing to display wall art but who do not feel they want to/can fill an entire section will have the opportunity to display 1-3 pieces of art within the 9-foot communal section. The communal section will also be hung salon-style. Just as with the tablescapes, any inventory provided for wall sections must come with backups to replace any items sold. We will not be holding artwork until the end of the show to cater to holiday gift-giving. All wall art must be framed or otherwise professionally presented. **All wall art must be delivered to WREN by November 8, 2021.**

### **HOLIDAY POP-UPS**

WREN will host two Saturday holiday market pop-ups in the gallery on 12/4 and 12/11. **Sign-ups for the holiday market pop-ups are strictly first-come, first-serve.** Each participant will have one six-foot table to display their products. Vendors may not sign up for both days, but those interested in participating in both days may let WREN know and, should space become available, WREN will notify interested vendors.

### **IMPORTANT TO NOTE**

All wall art and products included in the tablescapes will be subject to WREN's standard commission structure of 55% to the vendor, 45% to WREN. Sales from the two Saturday holiday market pop-ups will be subject to a 15% commission of sales over \$100. All interested in participating must have an active WREN vendor membership (\$75 per year).

### **IMPORTANT DATES**

Show dates: November 12, 2021-January 2, 2022

**October 25, 2021:** Deadline to communicate special interest in participating in Tablescapes
